

CONSTRUCTING YOUR POPUP TENNIS COURT

PopUp Tennis Courts can easily be set up by two people in as little as half an hour!

- Portable and easy to setup
- Safe, durable surface
- Inside or outside use
- Compact storage trolley included
- Inclusive for all ages and abilities
- Comes with equipment pack (net, rackets, balls, etc.)
- Can be used for many other sports (see www.popuparena.com/layouts for more details)

“ From a coaching perspective this surface is excellent. Safe, consistent and grippy - even in the wet - and forgiving on young muscles and joints. It is durable, looks very professional, is quick and easy to set up and gives a whole new dimension to our in-school coaching programmes. ”

David Ghosh, MD,

POPOP PORTABLE TENNIS COURT SYSTEMS

The Tennis Foundation is supporting the development of tennis in under-resourced communities to give people of all ages and abilities an opportunity to enjoy the sport.

Using PopUpArena's specially designed portable equipment, a tennis court can be configured in many different sizes to fit your community venue.

It is safe, cushioned and durable and can be laid easily, quickly and directly onto a hard surface, inside or outside, rain or shine.
