

Children/Young people with Attention Deficit Hyperactivity Disorder can be challenging. The hyperactivity, impulsivity and inattention of a child/young person with ADHD often puts all our skills to the test.

Dundee and Angus ADHD Support Group will be delivering a workshop on 'Understanding ADHD' in our premises at Manhattan Works on **Thursday 24th September 2015**

Speaker: Mr Bill Colley is a nationally recognised expert in the field of additional support needs and in particular, the planning, training and provision required for children/young people who exhibit challenging behaviour.

- | | |
|----------------------|---|
| 12.00 – 12.15 | Tea, Coffee & Biscuits |
