What is Social Enterprise?

A social enterprise is an independent, value-based business with a clear social purpose. They provide:

- a well needed service or product;
- make a difference to people, communities, the environment and the local economy
- fair and meaningful employment
- and often offer supported volunteer placements, training and work experience.

They trade in competitive, commercial markets and aim to become financially sustainable and independent from grant support.

They are asset locked meaning that all assets and profit are locked into the organisation and cannot be distributed for private gain.

All surplus and profit is reinvested back into the enterprise to further the social purpose, make a difference to people and places, support the local economy and provide a high quality service, product or both.

**Creative Dundee**
Unit 5, Vision Building, 20 Greenmarket, Dundee, DD1 4QB
Creative Dundee supports creative talent to base, grow and sustain their practice in and around Dundee, by connecting, amplifying and collaborating with the city’s creative community. Creative Dundee leads projects which generate local, national and international opportunities for people and the city – we exist to support the city’s strong creative ecology. Our well established online platform showcases cultural and creative events and opportunities happening across the city. It provides valuable information for both locals and visitors alike. Our regular programme of events bring people – from a huge variety of backgrounds – together in the same room to share ideas, inspirations and experiences, and build a common vision and voice for the city.

DSEN is a membership organisation that supports social enterprises and aspiring social entrepreneurs based or working in Dundee. Membership is also open to social enterprises in the surrounding area and all public and private sector organisations with an interest in social enterprise.

DSEN provides information, training and events to support aspiring and established Social Enterprise organisations to plan, manage and develop their business. We promote intra-trading between social enterprise businesses to help grow the sector. We help our members find procurement opportunities and guide them through the tendering process.

We manage the Dundee Futures Fund on behalf of The Rank Foundation, which provides grants for feasibility studies and development costs and is targeted at start-ups and existing Social Enterprises piloting new ideas.

DSEN is a partner in the Voluntary Gateway Dundee (Dundee Third Sector Interface), which provides representation for the sector and promotes and supports volunteering, voluntary organisations and entering third sector organisations. DSEN is a registered Scottish Charity and Company Limited by Guarantee.

Registered Office: 15 Balunie Drive, Dundee, DD4 8PS. Scottish Charity SC043943 Co. Registration No. SC491013
If you would like to find out more about us, our staff team will be happy to help.
