## Maintenance Service

## Contractual Services

We can provide continual contract services to organisations and can tailor these services to your needs.

These services can include:

- Factoring services for landlord groups and co ops.
- Seasonal maintenance of gardens
- Close repair and cleaning
- PAT Testing
- Property refurbishments
- Start or end of lease cleaning of properties

We encourage community group participation in our roles and at times will be assisted by these groups to complete any work required. This enables us to help provide individuals with experience and skills to promote their independence.

## Maintenance Service

If you are in need of any household or office refurbishment or a small handyman task that needs completed at a reasonable price, we can help.

Our maintenance team has years of experience in household and office refurbishment and complete all our organisation's requirements in house.

Charities, Social Enterprises, Landlords, Small businesses, we offer a reliable, cost effective service to deal with the jobs you can't.

Our teams are all members of the PVG scheme or Disclosure Scotland.

## Why use our Service?

Positive Steps Initiatives is the trading social enterprise of Positive Steps, a Christian charity registered in Scotland: Charity No. SC028252.

Positive Steps has supported individuals within the community for over twenty five years and have a proven track record in all the services we provide.

As a charitable organisation all proceeds are invested in providing support to vulnerable individuals and by supporting our services you are enabling them to attain their full potential.

By using this service you are enabling PSI to provide supported accommodation for vulnerable adults and work experience and placements for individuals trying to re enter the employment market.

Our organisation's main aim is to prevent homelessness and the threat of homelessness and together we can support the most vulnerable within our community.
